

Title
Death caused by Transportation

Description
After Javier's death was reported to the national statistical agency either via an A04 message (if Tester is using HL7 V2.6) or C-CDA from the EHR, the funeral director realizes that he incorrectly entered Javier's surgery date in the jurisdictional EDRS. He corrects the decedent's surgery date in the EDRS. The updated record for Javier Perez is transmitted either via an ADT^A08 message (if Tester is using HL7 V2.6) or C-CDA from the EDRS to the national statistical agency.
